JAMES NELSON**HON. ANDY BIGGS**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2018

Mr. BIGGS. Mr. Speaker, today, I honor the life of my constituent Mr. James Nelson. Mr. Nelson dedicated his life to public service, his community, and first and foremost, his family. He will be greatly missed by everyone that was lucky enough to know him in the East Valley.

James grew up in Tempe, Arizona where he played football and basketball for Marcos De Niza High School. His competitive nature and out-going personality led to future success in leadership positions in his 25-plus-year career serving others. He began his fire service career in the East Valley and was a founding member of the Gilbert Fire Department in 1993. For most of his professional life he served as Captain, later promoted to Battalion Chief.

James was a consummate professional and mentor to many other fire fighters. It is hard to imagine how many lives have been improved because of James' guidance and advice. He was a pillar of strength for his family, friends, and the fire service. I express my sincere condolences to his wife Kerry, his three daughters, Sydney, Shelby, and Shealy, his parents Ken and Nancy Nelson, his brother Paul Nelson, his sisters Sherri Nelson and Tricia Nelson and his other surviving family members.

Our world has changed a great deal during the course of Louise's life. Since her birth, we have revolutionized air travel and walked on the moon. HONORING WHITE PLAINS
HOSPITAL**HON. NITA M. LOWEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2018

Mrs. LOWEY. Mr. Speaker, I rise today to honor White Plains Hospital as it hosts its 125th Anniversary Gala on Saturday, September 29, 2018.

White Plains Hospital is a not-for-profit health care organization aimed at providing quality and affordable health care to Westchester County and the surrounding areas. In the year following its founding in 1893 by 22

White Plains Hospital not only provides both inpatient and outpatient services, but also aims to improve the health care of the local and professional communities and the business sector. It greatly expanded access to care by opening locations across Westchester County with excellent physicians in, but not limited to, primary care, pediatrics, obstetrics and gynecology, oncology, dermatology, geriatrics, cardiology, medical & surgical specialties, and urgent care.

IN RECOGNITION OF ASHLAN
BORSARI AND CHILDREN'S CAR-
DIOMYOPATHY AWARENESS
MONTH**HON. WILLIAM R. KEATING**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2018

Mr. KEATING. Mr. Speaker, I rise today in sincere recognition of Ashlan Borsari of Plymouth, Massachusetts, and to recognize September as Children's Cardiomyopathy Awareness Month.

Ashlan Borsari was diagnosed at birth with a rare, chronic, and degenerative heart disease called hypertrophic cardiomyopathy. By the time Ashlan reached kindergarten, her heart had left her barely able to climb a flight of stairs, and keeping up with her friends was impossible. Ashlan underwent her first open heart surgery at the age of five, and for the next nine years, she lived close to a typical life. Unfortunately, at the age of 14, she experienced a series of sudden cardiac arrests which required her to be revived through CPR. Ashlan was airlifted to Boston Children's Hospital where doctors implanted an internal defibrillator.

Children and infants diagnosed with cardiomyopathy face some of the worse outcomes in pediatric cardiology. Forty percent of patients diagnosed with pediatric cardiomyopathy die at a young age or undergo a heart transplant within the first two years of their diagnosis. Despite this, little is known about the causes of this disease and there currently is no cure. While there is tremendous variation in symptoms among the four different types of cardiomyopathy, each case poses enormous challenges and dangers to those who suffer from the disease. As Members of Congress, we need to do all that we can to get the word out about this little understood, yet life-threatening autoimmune disease.

Mr. Speaker, I am honored to recognize Ashlan Borsari for her remarkable spirit and perseverance, and in recognizing September as Children's Cardiomyopathy Awareness Month. Her story reminds us that through education, awareness, and research, we can better understand pediatric cardiomyopathy. I

pledge to continue to raise awareness and do what I can to secure the resources needed to build upon the steady strides already achieved in understanding and finding a cure for cardiomyopathy.

RECOGNIZING TAIWAN NATIONAL DAY

HON. TOM EMMER

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2018

Mr. EMMER. Mr. Speaker, I rise today in recognition of the 107th National Day of Taiwan. The United States and Taiwan have enjoyed a fruitful partnership for decades, and I would like to wish the people of Taiwan a very Happy National Day.

Taiwan is a critical partner of the United States and my state of Minnesota. Over the last decade, Taiwan has shown and continues to be a prosperous nation characterized by strong economic growth, a commitment to democracy and respect for basic human rights and freedoms.

Where trade and economic prosperity are concerned, our two countries have made great strides. In 2017, Taiwan was ranked as the 11th largest trading partner of the United States, the 11th largest U.S. export market overall and the 7th largest market for U.S. agricultural products. Taiwan imported \$3.57 billion of food and agricultural products from the U.S., representing more than 28 percent of total imports of those products.

Taiwan regularly sponsors trade missions to the United States in pursuit of agricultural products. Last year, those missions culminated in the signing of letters of intent to purchase approximately \$2.8 billion in U.S.-produced grains between 2018 and 2019. Just in late September, another trade mission from Taiwan visited the United States with the intent to purchase \$300 million in soybeans and other agriculture products. The mission also traveled to Minnesota, one of the biggest agriculture and soybean producing states in the U.S. In fact, Taiwan is Minnesota's 5th largest export market in Asia, with over \$450 million in goods exported in 2016. Our two countries will continue to seek avenues where we can work together, and I hope my colleagues will join me in promoting this cooperation wherever possible.

Minnesota and the rest of the country benefit from our relationship with Taiwan and continuing this important partnership. It is my privilege to congratulate the celebrants of the "Double Tenth Day," and I look forward to celebrating this important event for many years to come.

CARR & DUFF

HON. DONALD NORCROSS

Friday, September 28, 2018

Mr. NORCROSS. Mr. Speaker, I rise today to honor the achievements of Carr & Duff, Inc, its founders Edward Duff and Harold Carr, and the tireless lineman they employ, as the company celebrates the 60th anniversary of the company.

I have a special connection to this company—as a young man, Edward Duff and Harold Carr were gracious enough to hire me. I worked in a variety of roles for the company, including journeyman, foreman and high voltage lead splicer. I can tell you firsthand that Carr & Duff is a company that truly sets the industry standard in hard work and dedication. And as I moved on to other positions in my life, the skills I acquired in my time with Carr & Duff stayed with me—shaping me as a leader and providing me with an invaluable foundation and experience.

The story of Carr & Duff is one not only of business success, but also unsurpassed excellence in the field of community service. The men and women employed at this company have shown us time and time again that they are willing to go above and beyond in the name of excellent customer service, and they have been a lifeline to both of our districts, as well as the Tri-state Area, throughout the company's history.

The company is renowned for going the extra mile in times of emergency. During storms, floods, and severe snow, the incredibly skilled electricians at Carr & Duff have proven themselves invaluable—working long hours to restore power to impacted communities. Carr & Duff has such a large supply of transformers and generators that they are often able to loan out their stock to local utility companies in times of need. The people of Carr & Duff think nothing of it—it's just another opportunity for them to help their neighbors any way they can.

I ask you to join me in celebrating the impact that Carr & Duff Incorporated has made during its sixty-year history, and honoring the transformative legacy of a company that has truly shaped the Camden and Philadelphia area for more than half a century.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2018

Mr. WALBERG. Mr. Speaker, I rise today to recognize Coach Al Leslie of Saline, Michigan who was recently named the ALL-USA Boys Track and Field Coach of the Year.

Al has been a track coach for 17 years—the last 12 of which have been at Saline High School, home of the Hornets.

Once again, I wish to congratulate Coach Leslie on this impressive achievement. The investment he makes in the lives of young peo-

ple, both on and off the field, will impact our community for years to come.

Mrs. COMSTOCK.
